## Goderich Harbour Wharf Expansion Goderich Port Management Corporation

The Goderich Port Management Corporation (GPMC) is conducting a study under the *Environmental Assessment Act* to expand wharf facilities in Goderich Harbour in order to increase usable off-loading and on-shore storage area and to provide greater shelter within the harbour. The technically preferred design, the twin-slip option, includes an expanded wharf located within the existing northern breakwalls of the outer harbour. Some improvements to North Harbour Road are also being considered.

### The Process

On February 16, 2011, the Minister of the Environment approved the Terms of Reference (TOR) for the Goderich Harbour Wharf Expansion.

This study is being carried out according to the approved TOR and the requirements of the *Environmental Assessment Act*. A third Public Information Centre (PIC) is being held to present the technically preferred design and to receive comments and answer any questions from the public.

### Public Information Centre (PIC)

The PIC is scheduled for:

**Date:** Thursday, September 20, 2012  
**Time:** 4:00 pm to 8:00 pm  
**Location:** St. George's Anglican Church  
Parish Hall (access off Nelson St)  
87 North Street  
Goderich, Ontario

The PIC will consist of an informal drop-in open house with a brief presentation at 7:00 pm.

### Consultation

Members of the public, agencies and other interested persons are encouraged to actively participate in the planning process for this undertaking by attending consultation opportunities or contacting staff directly with comments or questions.
