**RE: Submission of final Environmental Management Plan in Fulfilment of
Conditions in the Goderich Harbour Wharf Expansion EA Notice of
Approval**

Dear Ms. Agnew:

Thank you for your April 28, 2017 submission of the following plans intended to fulfil certain conditions contained in the Goderich Harbour Wharf Expansion EA Notice of Approval, dated November 14, 2014.

A review of the document has been conducted and the Ministry of the Environment and Climate Change (ministry) is satisfied with the contents, as well as the incorporation of the ministry's comments on earlier drafts, in fulfilling the requirements outlined in the applicable conditions in the Notice of Approval. The review that was undertaken was an initial review and does not limit the ministry's ability to undertake a more detailed review at a later date. The Goderich Port Management Corporation must ensure that it fulfils all other requirements specified in the Notice of Approval.

Should you have any questions please contact Dan Delaquis, Supervisor with the Environmental Approvals Branch, at 416-314-7765 or dan.delaquis@ontario.ca

Yours sincerely,

Annamaria Cross
